

Wire notification form

Use the following wire notification form to inform National Christian Foundation (NCF) of your decision to wire money for the benefit of a fund at NCF. Incoming domestic wiring instructions, including NCF's receiving bank and beneficiary details, are available at ncfgiving.com/wire-notification. For wires resulting from non-cash asset transactions, please visit our website or call us at (404) 790-0274 for wiring instructions and additional guidance.

1. To ensure proper crediting of your transfer, please ask your financial institution to include your fund name and number in the comments section of the wire transfer.
2. Please complete this form and send to NCF via email or fax. It can be printed and completed by hand or you can type directly into the fields and save to your computer before sending.
3. In alignment with our [Program Agreement](#), once the wired funds and this form have been received, NCF will issue a receipt to the giver(s) named below.

Note: If we do not receive proper notification of a gift, it will be placed into a suspense account. If the gift remains unidentified despite NCF's good faith efforts to match it with the correct fund, the gift will be placed into the general fund for NCF.
