

In the Heartland

NCF has a national presence that starts right here in the Heartland. Serving thousands of givers and over 11,000 charities, our local office is busy with the many joyous tasks related to sending needed grants to worthy causes at an accelerating rate. Since 2019, Heartland givers have deployed more than \$1B to charities, supporting churches, evangelism, missions, humanitarian aid, student ministry, and more.

As the numbers below reveal, Heartland neighbors are answering God's call to be faithful stewards and changing communities in the region and around the world. Please let us know how we can serve you.
