

LEARN ABOUT OUR MINISTRY SUPPORT FEE

Your investment in NCF’s ministry

A Giving Fund at the National Christian Foundation (NCF) is about more than just financial transactions. It’s about aligning your giving with your values and having access to the right tools, so you can make the most of what you have to give.

A small percentage of each fund balance is retained by NCF to sustain our ministry. This enables us to help facilitate billions in grants to charity, provide superior resources for you, build generous local communities, and grow an innovative generosity ecosystem.

We want to help you steward the resources God has entrusted to you, and lowering our ministry support fee on your Giving Fund allows you to make an even bigger impact.
